Dear Friend,

I invite you to make a financial contribution to The Old Coast Guard Station Museum. Your support enables The Old Coast Guard Station to share its collection and programs with thousands of visitors from around the world each year, helping the widest possible audience understand and enjoy our maritime history and coastal heritage.

Current programs and projects at the Old Coast Guard Station include:

- *Assessment and inventory of the museum collections, archives and research library and making portions of the archives and research library digitally available via the museum website.*
- *Development of children's activities aligning with Science, Technology, Engineering, and Mathematics (STEM) fields of study.*
- *Production of video oral histories documenting the history and culture of surfing in Virginia Beach.*
- *Creation of a new exhibit focusing on the Coast Guard WWII Beach Patrol.*

There are many ways to give to The Old Coast Guard Station, with many benefits and privileges available to you in thanks for your generosity. We appreciate unrestricted gifts that allow us to apply funds to areas needing the most support, as well as gifts designated to support one of the museum's many special projects.

- **Donation** – your contribution will be used for general operations funds or you may designate funds for a specific project or use.
- **Membership** – select your level of annual membership support and receive benefits such as complimentary admission and a discount in the museum store.
